California Assemblyman Bill Emmerson and other Riverside County Legislators invite you to attend a Summit on Jobs and Regulations in California

Legislative Summit on Jobs and Regulations in California

March 19, 2010 • 9 a.m. to Noon

County of Riverside Administration Building 4080 Lemon Street, Riverside

Hosted by Assemblymembers Bill Emmerson, Kevin Jeffries, Jeff Miller and Brian Nestande

The Legislative Summit will consist of local employers and business leaders telling their stories about how regulatory and environmental burdens have hindered them from creating jobs in California and make it difficult for local companies to compete against other states, as well as globally.

This is a public meeting and all are welcome to come observe the discussion. If you are an employer who would like to share your experiences, please contact Brittany Reher at (909) 466-9096 or email Brittany.Reher@ Asm.ca.gov

Come hear first hand stories on how the barriers of regulations, taxes and fees are affecting employers/employment and what the Legislature could do to fix the problem.
